

# As the Spring Comes, Analyzing 2022 “Two Sessions” Proposals, Nine Major Categories Focusing on Man and Nature

**Author:** WANG Jing

## **Abstract:**

A year's plan starts with spring. For the annual "Two Sessions", the focus of public attention is on how to closely integrate high-quality development with meeting people's needs for a better life and what suggestions will be made to address people's concerns. Based on the collection and summary of the proposals for "Two Sessions" by China Biodiversity Conservation and Green Development Foundation (CBCGDF) in 2022, this paper classifies the various proposals in ecological civilization construction into 9 major categories, and analyzes the changes and priorities.

**Key words:** Two Sessions, ecological civilization, biodiversity conservation, man and nature, rule of law
