

CBCGDF S&T Publishing Think Tank Applies for High-quality Building Program of the National Press and Publication Administration

Author: WANG Xiaoqiong

Abstract:

The National Press and Publication Administration recently published an announcement on selecting and fostering the high-quality organizations nation-wide who work on publishing research field. The New Age S&T Communication and Publishing Think Tank of China Biodiversity Conservation and Green Development Foundation answered the call and actively engaged in the application work, so as to support the high-quality

development of S&T journals, foster world-class journals and promote the cause of building a strong nation in publishing industry.

Key words: publishing think tank, ecosystem, S&T communication, journal publication, biodiversity conservation
