

**CBD: Governments advance text of landmark global agreement on biodiversity, prepare final steps in negotiation to be concluded in Montreal in December**

By Linda

**Abstract:**

On 26 June 2022, after six days of negotiations, parties to the United Nations Convention on Biological Diversity presented a global plan to reverse the curve of biodiversity loss, which is expected to be adopted in Montreal, Canada, in December 2022.

**Key words:**

the Convention on Biological Diversity, the United Nations, biodiversity loss
