## **Abstract:**

China is moving forward fast in the era of ecological civilization. The transition from the era of industrial civilization to the era of ecological civilization has brought about dramatic changes in all areas of social life, which has not seen such big changes in the past one hundred years. As the 2022 "Two Sessions" being held, as an important part of the construction of ecological civilization, topics related to ecological and environmental protection are gaining more and more attention from deputies to the National People's Congress (NPC) and members of the National Committee of the Chinese People's Political Consultative Conference (CPPCC). Deputies and members are working hard to appeal and voice for these topics.

**Key words:** Two Sessions, proposals, deputy to NPC, member of the national committee of CPPCC
